### 5. VOTING BY WAY OF POLL

Pursuant to Rule 13.39(4) of the Listing Rules, all votes of the shareholders at the annual general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. The chairman of the meeting will therefore demand a poll for every resolution put to the vote at the Annual General Meeting pursuant to the Articles of Association and the Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

### 6. RECOMMENDATION

The Directors believe that the proposals referred to in this circular are in the best interest of the Company and the Shareholders. Accordingly, the Directors recommend that all Shareholders should vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,  
**Harmony Asset Limited**  
**LEE Fong Lit David**  
*Chairman*

This is the explanatory statement as required to be sent to the Shareholders under the Share Repurchase Rules to provide requisite information to you for your consideration of the Repurchase Proposal.

### **SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 39,058,614 Shares.

### **REASON FOR REPURCHASE**

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

### **FUNDING OF REPURCHASE**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum of association of the Company and Articles of Association and the Companies Law. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of shares made for the purposes of the repurchase or out of capital subject to and in accordance with section 37(5) of the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in section 37(5) of the Companies Law.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 31st December, 2014 in the event that the power to repurchase Shares pursuant to the Repurchase Proposal were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.
